

## BOMSS Annual Scientific Meeting 2021

### Training Day Programme – 26<sup>th</sup> July 2021

Time	Session	Facilitator
09:15–09:45	Registration – Tea & coffee	
09:45–09:50	Introduction and welcome	Bruno Sgromo, Local Organiser
09:50–11:05	<p><b>Scenario 1 – Abdominal pain post bariatric surgery</b></p> <p>This session will explore the assessment, investigation and management of postop patients who declare abdominal pain in IHP-led clinics. What are the red flags? Who should be admitted acutely? What are the pitfalls? The session will cover mainly gastric bypass and sleeve.</p>	<p><b>Key panel:</b> Sherif Awad, Surgeon Lindsay Parry, Dietitian Emma Shuttlewood, Psychologist Roxanna Zakeri, ST Surgery</p> <p><b>Additional contributions:</b> Sophie Shilston, Radiologist Toni Jenkins, CNS Tim Ambrose, Gastroenterologist</p>
11:05–11:35	Refreshments and Exhibition	
11:35–13:05	<p><b>Scenario 2 – When to say ‘No’ to bariatric surgery</b></p> <p>This session aims to explore when and how we might decide that bariatric surgery is not the best course of action. We will use case studies and group discussions to consider surgical, dietetic, psychological and medical reasons why someone might not be appropriate for bariatric surgery and how we communicate this within the systems we work in.</p>	<p><b>Key panel:</b> Emma Shuttlewood, Psychologist Bruno Sgromo, Surgeon Lindsay Parry, Dietitian Toni Jenkins, CNS TBC, GP</p> <p><b>Additional contributions:</b> Jeremy Cobbold, Hepatologist Jenny Rayner, Cardiologist Garry Tan, Diabetologist Tim Ambrose, Gastroenterologist Nick Reynolds, Intensivist</p>
13:05–14:00	Lunch break	Gastric Bands Symposium – Wolfry (provisional)
14:00–15:00	<p><b>Scenario 3 – The Recovering Bariatric Unit</b></p> <p>This session aims to explore how Bariatric units can recover from the significant impact of the COVID-19 pandemic. We will use an example</p>	<p><b>Key panel:</b> Sherif Awad, Surgeon Lindsay Parry, Dietitian Emma Shuttlewood, Psychologist Bruno Sgromo, Surgeon</p>

## BOMSS Annual Scientific Meeting 2021

### Training Day Programme – 26<sup>th</sup> July 2021

	patient complaint to facilitate discussion and reflection on how the pandemic has impacted on the whole MDT and how we might move forward including prioritisation, training, dealing with social media pressure and maintaining staff wellbeing.
